

PWSD #3 of Franklin County, Missouri

Water Rate Schedule for District #3 Customers

Section A: WATER RATE STRUCTURE

Occupants and/or Owners of premises connected to the District's system shall pay for water drawn from the water system, according to meter readings for the premises. Water service charges shall be computed and billed monthly as follows:

Monthly Water Rate Schedule (For all bills dated June 1, 2022 and thereafter)

All Customers Regardless of Type		
Water Service Availability Fee	0 - 200 gallons	\$ 25.21 Monthly (minimum)
Water Usage rates	Over 200 gallons Usage per month	\$ 6.91 per each 1,000 gallons, or portion thereof

Sewer Rate Schedule for District #3 Customers

Section B: SEWER RATE STRUCTURE

Occupants and/or Owners of premises connected to the District wastewater system shall pay for sewer services each month. Residential sewer treatment shall be based on the customer's Winter Water Usage. Commercial sewer treatment shall be based on the customer's actual water usage. New District customers, and District customers that have not established a winter water use average, shall be billed \$ 55.35, based on 5,250 gallons per month, until such time that their actual average winter water use can be determined. Sewer service charges shall be computed and billed monthly as follows:

Monthly Sewer Rate Schedule (For all bills dated June 1, 2022 and thereafter)

Monthly	Sewer Service Rate
Sewer Service Availability Fee	\$ 27.89 Monthly (minimum)
Sewer Service Usage	\$ 5.23 per each 1,000 gallons, or portion thereof
Sewer Service – New Customers	\$ 55.35 per month (based on 5,250 gal/month)
Sewer Service Only Customers	\$ 55.35 per month flat rate
