RE: Franklin County PWSD #3
Notice of Violation – Public Notice Required

A Notice of Violation (NOV) was issued to Franklin County PWSD #3 by Missouri Department of Natural Resources on January 31, 2023. The Water District is required to collect nine (9) Bac-T samples per month. During the month of December, only eight (8) samples were collected. The Water District collected the correct number of samples, however, one of the bottles was overfilled and could not be sampled by Missouri Department of Natural Resources. Although, all eight (8) samples passed, the one (1) sample that was overfilled and could not be tested is the reason for the violation. The District's sampling procedures have been modified to include that future sampling will be reviewed by the Superintendent to prevent missed samples and violations.

If you have any questions or concerns regarding this notice, please contact our office at (636) 742-5200.

Sincerely,

Terry McDaniel
Superintendent
Franklin County PWSD #3
